Maxim Integrated Products  
4401 S. Beltwood Parkway  
Dallas, TX 75244

Dear Customer,

The Maxim Integrated Products, Inc. ("Maxim") parts requested, purchased or will be purchased by your company fall under U.S. export regulations and laws. As such, Maxim must obtain certain information about you or your company end-use in order to comply with various U.S. trade regulations. For example, the U.S. Export Administration Regulations (15 CFR Parts 730 to 774) may require an export license by the U.S. government for military end-uses or end-users.

In order for Maxim to make a proper license determination and complete required export documentation, it is essential that your company provide a signed Statement of Assurance (page two of this letter) to Maxim regarding the end-use and end-users of the Maxim products. The end-user is defined as the ultimate consignee who will be using the product (this is not a distributor). The end-use is defined as the final product that the Maxim product will be integrated into (e.g. automobile, radar system, kitchen appliances, etc.). Maxim will keep the Statement of Assurance on File for two (2) years. If the end-user or end-use has changed and/or the 2 years has expired, a new Statement of Assurance will be required prior to the delivery of the product.

Once the questionnaire is complete, please return the Statement of Assurance via email to [trade-compliance@maxim-ic.com](mailto:trade-compliance@maxim-ic.com) or fax to 1- 972-778-6428. If you need assistance or have questions regarding the Statement of Assurance request please contact our office by sending an email to [trade-compliance@maxim-ic.com](mailto:trade-compliance@maxim-ic.com) with your contact information. Someone from the Trade Compliance Office will respond to your request as soon as possible.

This is a legal matter which deals with regulation on export controls and compliance. We trust we can count on your maximum cooperation in providing us with the requested information.

Best Regards,

**Maxim Global Trade Compliance Department**
