

5. BLOCK DIAGRAM

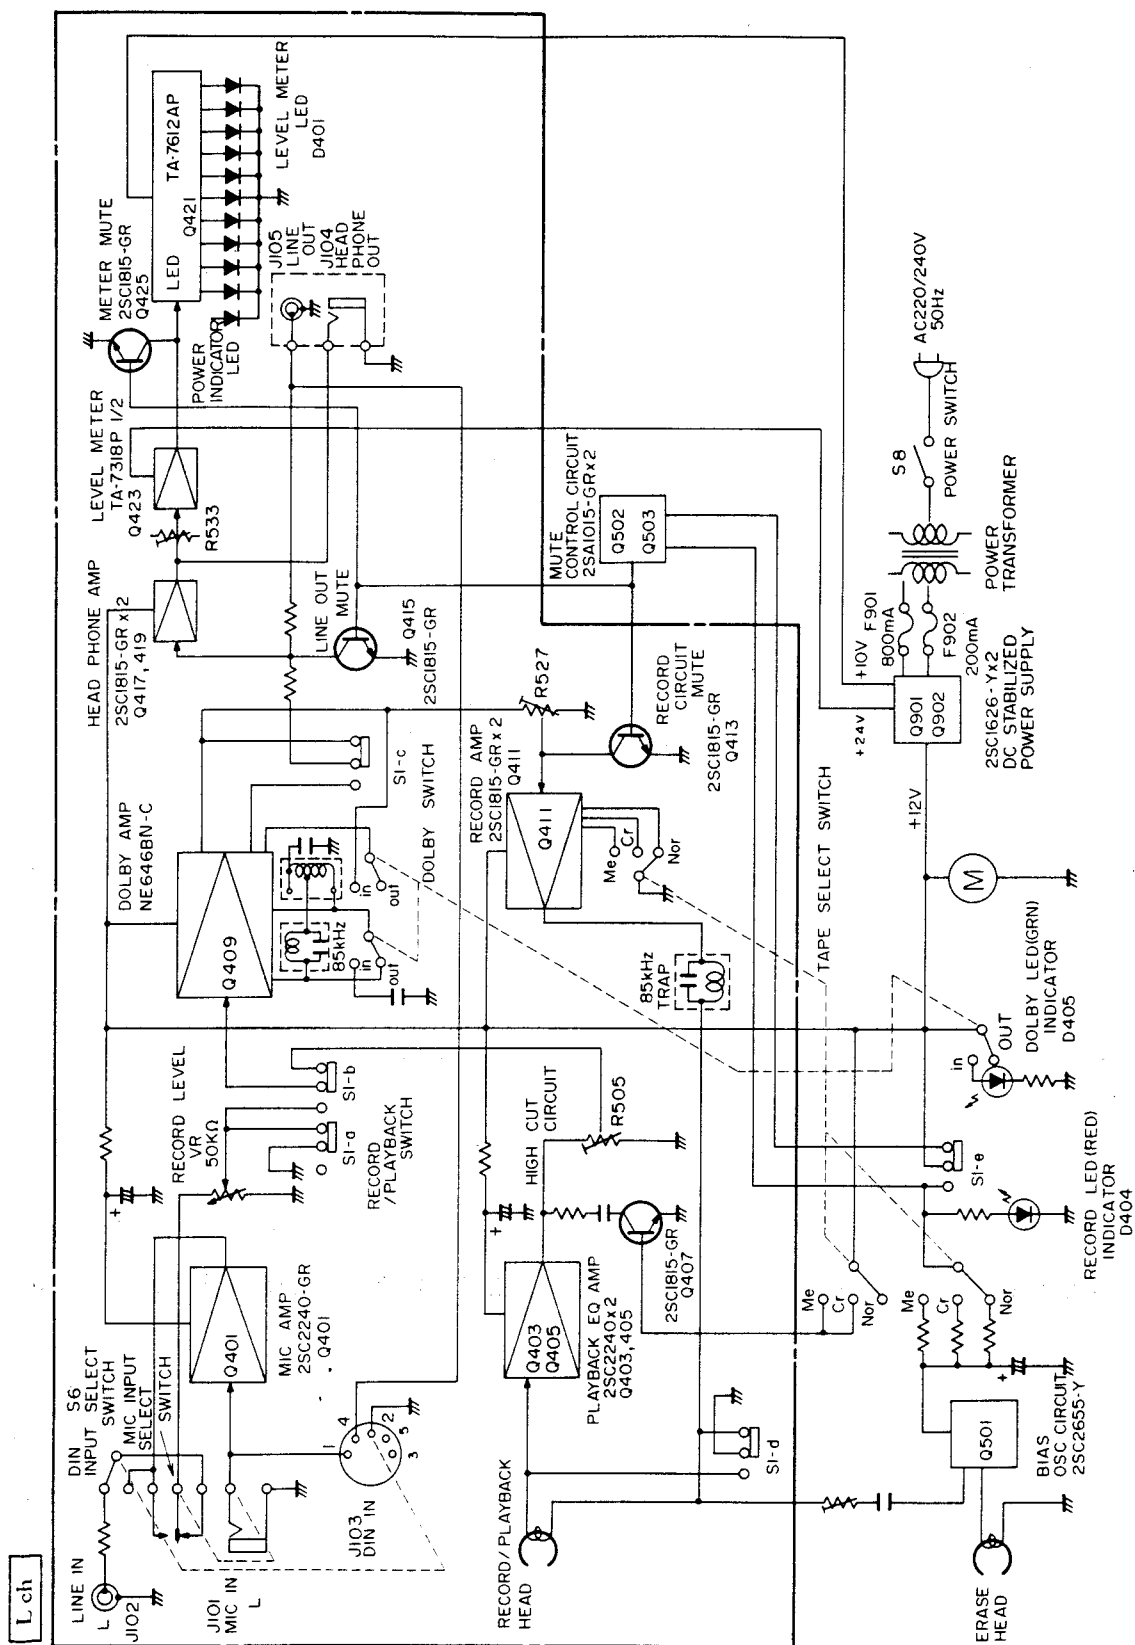

Figure 24

Notes:

- (1) This block diagram is for "TE" model.
The block diagram for "TU, AY" must be selected J103 Din Jack (includes S6) and it's associating circuit lines on this diagram.
- (2) Right channel block diagram is the same as left channel's. (Symbol numbers are different).

TE

Note: For parts marked "※", refer to Parts List on page 24.
